1. home.html

2. menu.html

A screenshot of the Feane website's menu page. The header is identical to the homepage, with "Feane" and navigation links. The main title "Our Menu" is centered above three menu items, each displayed in its own card. The first card shows a pizza with the caption "Delicious Pizza" and a brief description: "Veniam debitis quaerat officiis quasi cupiditate quo, quisquam velit, magnam voluptatem repellendus sed eaque". It includes a price of "\$20" and a yellow "Order" button. The second card shows a burger with the caption "Delicious Burger" and a similar brief description. It includes a price of "\$15" and a yellow "Order" button. The third card shows another pizza with the caption "Delicious Pizza" and a brief description. It includes a price of "\$17" and a yellow "Order" button. The menu items are separated by thin vertical lines.

3. about.html

The screenshot shows a website for a restaurant named "Feane". The header features a dark background with the brand name "Feane" in a white, stylized font. Below the name is a navigation bar with links: HOME, MENU, ABOUT (which is highlighted in yellow), and BOOK TABLE. To the right of the navigation are icons for user profile, shopping cart, and search, followed by a yellow "Order Online" button.

The main visual is a large, colorful illustration of a sandwich or burger being assembled. It consists of two halves of a bun, various fillings like lettuce, cheese, and onions, and toppings like sliced tomatoes and cucumbers.

Below the illustration, the text "We Are Feane" is displayed in a white, italicized font. A paragraph of placeholder text follows:

There are many variations of passages of Lorem Ipsum available, but the majority have suffered alteration in some form, by injected humour, or randomised words which don't look even slightly believable. If you are going to use a passage of Lorem Ipsum, you need to be sure there isn't anything embarrassing hidden in the middle of text. All

A yellow "Read More" button is located at the bottom right of the text area.

4. book.html

The screenshot shows a "Book A Table" form on the left. It includes fields for "Your Name", "Phone Number", "Your Email", "How many persons?", and a date input field "dd/mm/yyyy". Below the form is a yellow "BOOK NOW" button. To the right is a map of New York City Hall and surrounding areas, with several "For development purposes only" overlays.
